PROFILE SUMMARY

Creative Video Strategist & Production Team Lead with a proven track record of scaling media operations and driving high-converting paid and organic campaigns. Expert at bridging creative execution with performance marketing metrics to optimize user acquisition funnels (\$6.2M peak revenue, 100% video-sourced leads). Highly skilled in setting up production studios, designing visual identity systems, and implementing next-gen AI automation workflows (n8n, HeyGen, UGC AI) to reduce production overhead by up to 90% and multiply content velocity.

PROFESSIONAL EXPERIENCE

Head of Video Production / Performance Media Manager

Thinksmart Insurance

2023 – Present | HCMC

Structured and directed a high-volume performance media acquisition machine. Managed the creative direction, filming studio operations, and scaling workflows.

- 100% Leads Supplied:** Led the media crew to adapt massive volumes of ad creatives, successfully generating 100% of the active marketing leads to supply the corporate Sales department.
- Creative A/B Testing:** Co-operated directly with ad media buyers to analyze real-time campaign performance, iterate video assets proactively, and drive CPA down by **66%**.
- Revenue Breakthrough:** Contributed significantly to achieving a record-breaking corporate revenue peak of **\$6.2M** in 2024 through highly optimized paid acquisition hooks and content scaling.
- Product Visual Identity:** Engineered the full visual style and asset guide for core financial insurance products (IUL, EBTP, Kaizen, Term Life) to make complex concepts relatable for prospects.

Event Media Director

Dream Talent

2022 – 2023 | HCMC

Directed full creative coverage and brand image execution for high-profile corporate internal affairs, recruitment films, and large-scale public-facing corporate events.

- 100% In-house Execution:** Built and coordinated end-to-end production pipelines covering pre-event scripting, multi-angle camera mapping, lighting setup, and professional post-production editing.
- Rapid Cinematic Turnaround:** Engineered post-production workflow pipelines that delivered fully graded corporate highlight videos within **48 hours** of event completion, significantly amplifying brand engagement.
- Scale Event Directing:** Supervised a 6+ member technical media crew executing photo/video captures across major corporate events including the Year End Party (YEP), Sports Day, and annual Team Building assemblies.
